- *German Academic Publishers*  
[www.ubka.uni-karlsruhe.de/gap-c/index\\_de.html](http://www.ubka.uni-karlsruhe.de/gap-c/index_de.html)
- *E-Journal Framework*  
[www.zepl.uni-muenchen.de/plannedpj.htm](http://www.zepl.uni-muenchen.de/plannedpj.htm)
- *German Medical Science*  
[www.egms.de/de](http://www.egms.de/de)
- *Forum: Qualitative Social Research*  
[www.qualitative-research.net/fqs/fqs.htm](http://www.qualitative-research.net/fqs/fqs.htm)

## **DFG Status Report: Promoting Open Access**

- raise author's awareness for self-archiving according to open access principles
- assess the relevance of open access publications in producing and receiving scientific knowledge by German scientists and academics (survey in spring / summer 2004)
- recommend enhancements in developing funding guidelines for an intensified promotion of open access to DFG's statutory bodies (Roundtable Discussions in summer / autumn 2004)

Deutsche  
Forschungsgemeinschaft

**Thank you!**
